March 2022

Dear Parents of Incoming Kindergarteners,

On behalf of the Sea Cliff School community, I want to take this opportunity to welcome you and your child to Sea Cliff School! We are thrilled that your child will be joining us for kindergarten in September 2022, and I look forward to working together through this exciting process.

This year we will host Kindergarten Registration/Screening in the building. During this time, your child will be invited to participate in a number of activities designed to help us learn more about them which will help inform our class placement process for the 2022-2023 school year. Students will join staff members in our auditorium for the screening activities, while parents complete the registration process in the auditorium lobby with our nurse, Ms. Kathleen Green, and building registrar, Ms. Liz Howell.

We will be conducting Kindergarten Registration/Screening during the week of May 2, 2022. Please call Ms. Howell at 516-277-7501 to schedule an appointment for you and your child to visit the school for the Kindergarten Registration/Screening process.

Once your child is registered and screened, we will be hosting a series of Kindergarten Orientation Visitations where your child will have an opportunity to tour the school and meet with our Kindergarten teachers. During that time, I will be providing an overview of Kindergarten and what your child will experience during their Kindergarten year. More information will be forthcoming soon.

I look forward to meeting you during the Kindergarten Registration and Orientation process. If you have any questions, please do not hesitate to contact my office.

Warmest regards,

Jeanette Wojcik
