

Join us for an informative update in tandem with the North Shore School District

Emergency Medical Preparedness

KNOW BEFORE YOU EVER HAVE TO GO

TUESDAY, NOVEMBER 29, 6:30, NS MIDDLE SCHOOL

Hospitalization Roadmap

Insufficient public understanding of patient pathways during illness has left many community members unprepared to effectively facilitate recovery for themselves or older family members. This presentation will:

- Assist in gathering personal emergency medical information.
- Discuss the skilled nursing & rehabilitation (SNF) roadmap.
- Offer insight on choosing an SNF and how it may be covered by insurance.
- Review the potential pathway of extended care at any age.
