

# NORTH SHORE SPECIAL EDUCATION PARENT TEACHER ASSOCIATION

*“Behind the child that makes the most progress, is an actively involved parent.”*

Dear Parents and Faculty:

Welcome to the 2023-2024 school year!

North Shore SEPTA brings together parents, teachers, administrators, learning specialists, and professionals with an interest in the education of children in our school district with varying needs. Through membership dues, fundraising efforts, and grant opportunities, NS SEPTA funds and facilitates worthwhile programs for the benefit of the entire district, including presentations from professional experts in special education and related services and disciplines to help parents understand, navigate, and support their child’s education and well-being.

We look forward to hosting a variety of knowledgeable guest speakers and Parent Information Exchanges (PIE) at our monthly meetings this 2023-2024 school year. All parents and faculty are welcome. We hope you will consider joining our organization.

Membership for the 2023-2024 school year is \$20 per family for parent members and this year we are pleased to offer discounted \$10 memberships for North Shore faculty and staff.

Wishing you and your families a safe and successful school year.

Sincerely, The North Shore SEPTA Executive Board
