Our district includes Glen Head Elementary School, Glenwood Landing Elementary School, Sea Cliff Elementary School, North Shore Middle School and North Shore High School.

### NORTH SHORE HIGH SCHOOL

All students begin their studies of Mandarin in Kindergarten with the option to switch to Spanish in third grade. French, Italian, or Latin are additional languages offered as they progress to Middle School and High School. For the 2020-21 school year, when social distancing protocols were implemented, North Shore converted to a hybrid instructional platform consisting of two cohorts (Monday/Wednesday and Tuesday/Thursday). Each cohort of students attended in-person classes two days per week. On the days the students were home, they received a recording of the class instruction that took place that day along with assessments to complete. On Fridays, all students attended their classes online for live instruction. Teachers were able to complete their instructional curriculum, and students were able to learn and earn grades. Additionally, our athletic teams were able to compete, albeit through abbreviated seasons, and our extracurricular clubs met virtually.

## NORTH SHORE SHARED VALUED OUTCOMES
