**Please note that the World Language Review Courses, the Algebra 1 Review Course, and the NYSESLAT Review Course will only run during the first scheduled time block between 3:30–4:45PM. All other courses will be offered during both time blocks.*

***Please also note that the US History and Government review sessions and the NYSESLAT review sessions will begin earlier, and on special days and/or dates, due to the early administration of those exams.*

These review sessions are in addition to the regularly scheduled extra-help sessions offered by classroom teachers. Extra-help schedules are posted on the HS Homepage.
