# NORTH SHORE SCHOOL DISTRICT 2022-23 ADOPTED BUDGET COMMERCIAL INSURANCE AND BOCES ADMINISTRATION

The District's general and commercial liabilities as well as BOCES administrative and capital costs are expected to increase between 4-5% next year. The District is a member of the New York Schools Insurance Reciprocal and experiences some protection from the high costs in the commercial insurance market but this year the Business Office was informed by NYSIR to expect higher increases next year due to storm related and cyber claims nationwide. The BOCES costs are determined by Nassau BOCES. The increases are mainly due to the rising costs of health insurance which are passed on to all component districts.

## NORTH SHORE SCHOOL DISTRICT 2022-23 ADOPTED BUDGET TRANSPORTATION

The District provides transportation for Kindergarten through 12<sup>th</sup> grade North Shore Schools students, who live more than 3/4 of a mile from school. These services are provided on district owned school buses and by district employees. Students attending private and parochial schools who live within 15 miles of their homes are entitled to transportation if a request is submitted by April 1, each year. The District does not accept late applications unless it is submitted by a new resident within 30 days of the date of residency. Students with disabilities are entitled to suitable transportation as specified in their IEPs up to fifty (50) miles from their homes. This budget supports the salaries of 33 part time bus drivers, 3 mechanics, 1 transportation supervisor, 2 bus dispatchers, 5 bus monitors as well as supplies, fuel, parts and insurance for the buses. The budget also supports contracts with private bus companies for the remainder of the bus routes. The projection assumes that the District will begin to convert up to 6 diesel buses to electric. The District has contracted with McBride Consulting to write grants to secure funding for the charging stations and the electric school buses. The \$120,000 allocated to purchase new buses below will be used to supplement the cost of the new buses in the form of an outright purchase or a lease. Update. On 3/10/2022 BOE deferred the plan to build charging stations and convert the District's fleet from diesel to electric to future budgets.

## NORTH SHORE SCHOOL DISTRICT 2022-23 ADOPTED BUDGET EMPLOYEE BENEFITS

Employee benefits account for more than 25 percent of the budget. It includes pension costs for teachers, administrators and teacher assistants in TRS (Teachers Retirement System); pension cost for all support staff in ERS (Employee Retirement System); and the District's share of Social Security, Medicare taxes, workers' compensation, unemployment, health, life and dental insurances. The District's contribution rate which is set annually by the Teachers' Retirement System Board is estimated to increase between 10-10.5% of the 2022-23 member payroll. The estimated average employer contribution rate for ERS, (which is set by the NYS Comptroller) has been lowered from 2021-22 to 2022-23. The budget below shows an increase of \$538,693.66 and a decrease of \$423,513.59 in TRS and ERS liabilities in 2022-23. The employer cost for Social Security and Medicare is projected to increase by \$367,882.04 due to projected contractual salary increases and the projected Social Security wage cap in 2023. Health insurance costs are expected to increase by approximately \$1.4 million next year. This is a result of the NYSHIP Empire Plan rate increases in 2022 as well as projected increases in 2023. The District's cost for providing health insurance benefits for its active employees increased by more than 10% in 2022. See a detailed analysis of employer and employee share of premiums in the Assistant Superintendent for Business narrative. Cost for dental, life, long term, short term disabilities are projected to remain flat.

2022-23 Adopted Budget

# NORTH SHORE SCHOOL DISTRICT 2022-23 ADOPTED BUDGET DEBT SERVICE AND INTERFUND TRANSFERS

The District borrows money from financial institutions to build, renovate or purchase large fixed equipment and pays it back over time. Debt service in this part of the budget covers the principal and interest on serial bonds, interest cost on bond anticipation notes (BANs), and tax anticipation notes (TANs). TANs are short term notes that are used to meet the district's cash flow needs before taxes are collected from the county. This budget includes debt service for permanent financing of Phase I of the 2019 bond projects and interest on BANs for the Phase II projects scheduled to begin in the summer of 2022. Update, on 3/10/2022 BOE eliminated the budget to upgrade the infrastructure for charging stations and electric school buses. Funds budgeted for the charging stations and electric school bus purchase/lease will be used to replace the HS Gym floor-see below.
