Dear Community Member,

I understand that it has been a practice in the North Shore School District to provide "poll lists" with updated information on who has and has not voted on the day of our annual budget vote. I note that this accommodation is one that the district is not required to continue on the day of the vote. Our responsibility is to conduct an orderly election that functions with integrity. Frequent interruptions of this nature can threaten that and take time from our election staff.

However, to accommodate the expectation that these "poll lists" will be made available, we will follow the same procedure as last year:

We will issue poll lists twice during the day. The first will be sent out between 11:00 a.m. and noon, and the second will be available between 4:00 and 5:00 p.m. Any school district resident who would like to receive a copy of this list must submit an email request to the address below no later than 4:00 p.m. on **Monday, May 15, 2023**. We will compile these lists and be prepared to send the requested information during the window described.

Please note that no requests for these copies of poll lists will be accepted on the day of the Budget Vote. We anticipate a very busy day and must turn our full attention to the many responsibilities associated with the vote.

Sincerely yours,

Christopher Zublionis, Ed. D.  
Superintendent of Schools

Requests for poll lists can be sent to [recordsaccessofficer@northshoreschools.org](mailto:recordsaccessofficer@northshoreschools.org)

These requests will be accepted until Monday, May 15 at 4:00 p.m. No requests will be accepted the day of the vote.
