## **CREATIVE TECHNIQUES IN BASIC DRAWING**

**Wednesdays 7:00pm – 9:00pm**

**Starts: March 5<sup>th</sup>**

**Fee: \$65**

**CC #4**

**6 sessions**

The course's objective is to develop in each student the personal confidence in their tactile-visual skills applied to a basic drawing.

Each week, the demonstrated technique will build upon the previous session beginning with simple line (in pencil) progressing to tonal shading in charcoal, chalk and finally in ink. The subject matter will concentrate on a variety of still-life compositions stressing successful two-dimensional design principles and perspective techniques

We will conclude with gesture drawings of the human figure using projections on the classroom video screen (Smartboard).

No experience is necessary.

**The instructor will collect a small fee (\$10. - \$15 depending on total enrollment) to cover basic supplies.**

## **WATERCOLOR PAINTING**

**Wednesdays 7:00pm-9:00pm**

**Starts: March 5th**

**Fee: \$75**

**CC # 5**

**8 sessions**

The objective, throughout this workshop, is to inspire my students to experiment with the watercolor medium. This course is designed for both beginning as well as advanced students.

The students, if they wish, will paint along while following my demonstration, or just observe and take notes. At the end of each session, I will encourage the students to paint a simple object and bring it in the following week for a critique.

All the basic foundations of the watercolor medium will be covered until the student has a basic comprehension of how the pigments interact with water.

Some of the key points I will cover are:

1. How to plan a composition.
2. Basic drawing skills
3. How to create flat, gradated and multi-colored washes
4. The importance of values over color
5. How to direct the composition for emphasis on the focal point.

A supply list will be given to each student and we will go over it on the first day of class. You will not need your supplies until the second class. Please email [gesueles@northshoreschools.org](mailto:gesueles@northshoreschools.org) if you have any questions.
