

**North Shore Schools
Sea Cliff, NY**

2018-2019 Annual Goals

Shared Valued Outcomes

- Implement 2017-2018 skills, dispositions, and learning progressions for Communicators and Thinkers
- Develop skills, dispositions, and learning progressions for Problem-Solvers and Committed Individuals
- Develop Action Plans from 2017-2018 Tri-States Review

Critical Analysis of Instructional Program

- Research the purpose and value of homework K-12 and propose policies and processes that support best practices for all students with an eye on consistency.
- Conduct External Program Audit in K-12 Literacy
- Develop 3-Year Action plans in K-12 Counseling
- Monitor expansion of 1:1 Chromebook implementation
- Operationalize a process to review evidence-based practices in K-12 education to inform continuous improvement within the District in accordance with the Strategic Plan
- Develop a master plan and community process for a possible Bond Referendum

Policy Review

- Engage in a compliance review of all Board of Education Policies through New York State School Boards Association
- Review Policies 4000-5710 (Instructional Policies)
