
2.06 Returning to School

- Advise sick staff members and children not to return until they have met CDC criteria to discontinue home isolation.

The following procedure will be followed for allowing persons to return to school following illness or diagnosis of a confirmed case of COVID-19 or following quarantine:²⁰

Once a student or employee is excluded from the school environment, they may return if they satisfy the recommendations of the CDC and their return is coordinated with the local health department. Currently, those guidelines are:

1. **Untested:** Persons who have not received a test proving or disproving the presence of COVID-19 but experience symptoms may return if the following three conditions are met:
 - a. They have not had a fever for at least 72 hours (that is three full days of no fever without the use of medicine that reduces fevers); and
 - b. Other symptoms have improved (for example, when your cough or shortness of breath have improved); and
 - c. At least ten (10) calendar days have passed since your symptoms first appeared.
2. **Tested:** Persons who experienced symptoms and have been tested for COVID-19 may return to school if the following three conditions are met:
 - a. They no longer have a fever (without the use of medicine that reduces fevers); and
 - b. Other symptoms have improved (for example, when your cough or shortness of breath have improved); and
 - c. They have received two negative tests in a row, at least 24 hours apart.
3. **Tested with no symptoms:** Persons who have not had symptoms but test positive for COVID-19 may return when they have gone ten (10) calendar days without symptoms and have been released by a healthcare provider.

Students may also return if they are approved to do so in writing by the student's health care provider.

²⁰ SED, pg 19 District/school plan has written protocol that complies with CDC guidance for the return to school of students and staff following illness or diagnosis of a confirmed case of COVID-19 or following quarantine due to contact with a confirmed case of COVID-19. Return to school will be coordinated with the local health department.
